ORGANIC COCONUT PALM SUGAR

Perfect for baking, oatmeal & in beverages

FAIRLY TRADED & SUSTAINABLY GROWN

NET WEIGHT 1 LB (16 OZ) • 454 g

Wholesome Sweeteners’ Organic Coconut Palm Sugar is a rich unrefined brown sugar with a deep caramel flavor. It is produced by tapping the sweet nectar from the tropical coconut palm tree flower and drying the nutrient-rich juice in a large open kettle drum. The juice solidifies into a delicious whole brown sugar that adds natural color and a depth of flavor to baking and is wonderful in recipes that call for a sprinkled over oatmeal and in smoothies.

Coconut Palm Sugar adds a tropical flare to recipes and can be used as a 1:1 replacement for brown sugar.

Nutrition Facts

Gluten Free Sweet & Salty Brownies

Ingredients:
1/3 cups good quality semisweet chocolate chips
1 cup softened unsalted butter
1 large cage free eggs
1 cup Wholesome Sweeteners’ Coconut Palm Sugar
3/4 cup all purpose flour
1 tsp pure vanilla extract
1/2 tsp baking soda
1/4 tsp sea salt
1/2 tsp cornstarch

Method:
Preheat the oven to 375°F. Line a 9” x 13” baking pan with parchment paper. Place the chocolate chips and butter in the clean food processor and pulse a few times to roughly combine. Add the eggs, coconut palm sugar, cocoa powder, cornstarch, salt, vanilla and flour and blitz until combined. Bake until the center of the brownies is set and a toothpick comes out clean. Top with coconut palm sugar, chopped nuts and chocolate chips. Let cool and cut into squares.
